
HELP US HELP TAMI

TLC is holding a fundraising event for Tami on Saturday, May 11th starting at 6:00 p.m.

Tami has recently had a biopsy on the wound on her head. Thank you to Member Dr. Carmen Traywick for pressing the issue with her. Unfortunately, it has come back bad and she needs to have the Mohs Procedure performed on May 14th. Depending on the depth of the wound, there may be follow-up procedures that are necessary. Many of those who know and work with Tami on a regular basis know that she is a gem at TLC. We have had many tennis enthusiasts ask if they could help her with her expenses, and the answer is a resounding yes. She needs help, and 100% of any money collected will go to Tami. Thank you in advance for your help.

The TLC teaching pros will play doubles with you, and the cost for the evening's tennis is \$50.00 per person. There will also be a silent auction, and any other donation to the Tami Fund is greatly appreciated.

Please bring an appetizer to share, and TLC will provide the beverages.
